

## Company Declaration

Xiamen Faratronic Co.,Ltd. ( hereafter to be referred to “ Faratronic” ) , one of the biggest film capacitors manufacturers in the world and with the world known trademark of “  ” ( Lu Dao ) . We found that there were some fake film capacitors with the trademark of “  ” in some markets recently, the legitimate rights and the reputation of Faratronic have been seriously damaged by these illegal behaviors. Therefor , we declare:

1; All the products supported to the customers in the world are all made in our own factories located in Xiamen, China. Faratronic never authorized any other companies to produce the film capacitors with the trademark of “  ” ;

2; The authorized distributors ( or agents) of Faratronic are listed in the website at [www.faratronic.com.cn](http://www.faratronic.com.cn) ;

The film capacitors with the trademark of “  ” from Faratronic are made fully according to the standard of ISO/TS16949. Faratronic is a trusty company with good quality products and services recognized by our global customers. The fake products will damage not only the rights and interests of Faratronic, but also the rights of end users to be offered with good quality products and services, moreover, it will cause the potential legal risk for end users.

We kindly remind all the customers : please contact Faratronic directly or our authorized distributors ( or agents) in order to protect your legitimate rights and interests.
